Cosmopolitan UK Interviews Katie Quinn

The screenshot shows a webpage from Cosmopolitan.co.uk. At the top, the site's logo is displayed in large pink letters. Below it, the article title "The Victoria's Secret trick for 'reverse contouring'" is shown in a bold, black font. A sub-headline reads: "The tanning expert responsible for body makeup on the Victoria's Secret shows shares her method for contouring with just self-tanner and water." The main image features two women, one in a white dress and one in a red dress, standing together. To the left of the main image is a sidebar with social media sharing options (Facebook, Twitter, Email) and a "THE HOT LIST" section containing several small thumbnail images with captions. To the right of the main image is a vertical advertisement for ELLE DECORATION, featuring the text "The new online design destination" and the website "ELLEDECORATION.CO.UK". Below the main image, there are two close-up photographs of a woman's face, one showing her eyes and the other showing her hand applying a product to her forehead.
